

BY WINE LOVERS  
FOR WINE LOVERS

JANE

Our wine selection has been crafted by wine lovers, for wine lovers. It celebrates both the timeless and the unexpected, a thoughtful balance between classic houses and hidden gems waiting to be discovered.

For our opening list, we have focused on European terroirs, with particular depth in France and Italy, while leaving room for future discoveries from beyond. Each bottle has been chosen not only for its quality, but for its ability to tell a story, to spark curiosity, and to enhance the experience at Jane.

We hope you'll find pleasure in exploring this first edition of our wine list and that, like a fine wine, it will only get better with time.
